

December 27, 1950.

Dr. Frederick L. Stone, Chief.,
Research Fellowship Branch,
Division of Research Grants and Fellowships,
National Institutes of Health,
Bethesda 14, Maryland.

Dear Dr. Stone:

Miss Elise Cahn has written me that she intends to apply for a Public Health Service Pre-Doctoral Research Fellowship. Although I am not directly acquainted with Miss Cahn, I am pleased to sponsor her fellowship application on the basis of her academic record and recommendations from her teachers and employers.

If Miss Cahn is awarded a fellowship, research facilities will be provided in this department for her to work on her fellowship under my direction.

Approval of the Chairman of this department, Professor Brink, is indicated by his endorsement signature below.

Sincerely yours,

Joshua Lederberg,
Associate Professor of Genetics.

Endorsed:

R. A. Brink, Chairman,
Genetics Department
